said, took charge of the railroad from Casas Grandes to Madera three days ago, but his action had been kept a

If American infantry was moved to Madera, as reported, the troops may now be south of Villa, although the absence of any information as to his wheerabouts leads to the belief that the bandit has escaped the trap.

It was also unofficially reported today that the United States army will begin the operation of provision trains on the Mexico Northwestern Railroad from Juarez within the next twentyfour hours.

Final negotiations were in progres to-day for American railroad equipment to be used over the Mexican lines. In local yards preparations were being made to turn over cars and locomotives to the army.

Coupled with the reports that Herrera had revolted in Chihunhua there were others telling of serious situations Cabullona. These were discredited by and police reserves, equipped with later despatches, but there was a genrilles, were also held ready.

The situation in Juarez remains
mostly a subject of conjecture, with
start an uprising in Villa's favor in
such information as is obtainable Northern Mexico.

TROUBLE IS EXPECTED IN SO-NORA SOON.

So grave was the situation regarded here that the military authorities planned to-day drastic steps to relieve all Mexicans in El Paso of any arms they might have concealed in their homes and enforce what would be practically martial law in "Little Chihuahua," the heart of El Paso's Mexican section.

The belief of Americans who are familiar with Mexican affairs was that if the reported revolts in Chi-This State is the headquarters of the Obregon adherents and has never. according to information here, been more than lukewarm to the Carranza cause. It is the native state of Gen. Obregon, who, although Gen, Carranga's Minister of War, is known to he hostile to the First Chief's co operation with Americans, and its MEXICAN EMBASSY GETS people are said to be devoted to his

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, had breath and tougue is coated; if your bead is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are billous, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and owels, and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the sys-tem all the previous day's poisonous waste, gases and sour bile before putting

waste, gasee and sour bile before putting more food into the stomach.

To feel like young folks feel, like you feit before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate, which is inexpensive and almost tasteless, except for a sourish twings, which is not unpleasant.

LAREDO, Tex., March 23.—Officials of the Carranza Government at Nuevo Laredo to-day reiterated their statement denying the defection of the Torreon garrison to Villa.

DOUGLAS, Ariz., March 23.—Officials of the Carranza Government at Nuevo Laredo to-day reiterated their statement denying the Carranza Government at Nuevo Laredo to-day reiterated their statement denying the Carranza Government at Nuevo Laredo to-day reiterated their statement denying the Carranza Government at Nuevo Laredo to-day reiterated their statement denying the Carranza Government at Nuevo Laredo to-day reiterated their statement denying the defection of the Torreon garrison to Villa.

his airships.

"The Zeppelins are not as near perject as I might wish," said the aged inventor. "They should have greater carrying power and should be able to reach still higher altitudes. We are now testing new types of motors, by which we hope to make a nearer approach to perfection. In the meantime, a certain percentage of losses must be reckoned with."

The Deputies gave Count Zeppelin a streat ovation.

FIRST FLOATING HANGAR FOR NAVY LAUNCHED

War Dirigible Will Be Housed in Massive Steel Structure, 140 by 60 Feet.

PITTSBURGH, Pa., March 13 .- The first floating hangar built for the navy was launched at the marine ways of a steel construction company here to-day. When completed pany here to-day. When completed it will be towed to New Orleans, and from there taken to Pensocola, Fla. The hangar is built of steel, 60 by 140 feet and draws 18 inches of water. The hood, which is designed to cover one of the new navy dirigibles can be knocked down and packed on the

deck.

The hull, six feet deep, is divided into eight watertight compartments, and the steel frame is as massive as the girders of a railroad bridge.

RECIPE TO DARKEN **GRAY HAIR**

This Home Made Mixture Darkens Gray Hair and Removes Dandruff.

To a half pint of water add:

that you can buy from any druggist at very little cost, and mix them yourthat you can buy from any druggist at very little cost, and mix them yourself. Apply to the scalp once a day for two weeks, then once every other week until all the mixture is used.

A half pint should be enough to darken the gray hair, rid the head of dandruff and kill the dandruff germs. It stops the hair from falling out and relieves itching and scalp diseases. It promotes the growth of the hair and makes harsh hair soft and glossy.—Advt.
